

YOUTH MATTERS

- by Kristin Sellentine

Thanks to all youth who helped with VBS;
you ROCK!!

**Whoo-oo is going
to the National Youth Gathering
next July in Minneapolis???**

Yeah! I have heard that I may be getting a tattoo! (I promised to do so if at least 6 Trinity youth go to the NYG. It was that, or shave my head.) This year's 8th graders & up are eligible to attend. There will be informational meeting for you(th) and parents on Sunday evening, August 26, at 6:30 in the NEW Youth Room (south end of the Nursery). You do not have to make a commitment at that time, but come prepared with questions; registration opens in October. If you don't know what to expect from NYG, google "LCMS National Youth Gathering" on YouTube. Watch videos of amazing activities. Please give it some serious thought and prayer. It is truly an awesome experience. I guarantee you will not be sorry if you go.

We're moo-ooing! The **Youth Room** is now going to be back on the south end of the nursery. We need to move some furniture this month. I'll text some guys and dads for a moving party. Afterwards - pizza & pop for all who help!

Thanks to **Betty Gutknecht**, the \$\$\$ collected for the recycled pop cans will now go to the Youth fund. Be sure to bring your empty pop cans to the west parking lot and put them in the black "box."

How to Avoid Money Problems - Tip #3

(Tip #1 is GIVE 10% back to God.

Tip #2 is SAVE 10% for retirement.)

Tip #3 is to make, and stick to, a budget. This is nothing more than a plan for your money. It is based on your NET income - the amount left after you "pay" God and yourself. Oh, yeah, and after you pay Uncle Sam (taxes). You may not have many expenses now, but when you do, remember the main rule of financial management: Don't spend more than you make!
