

The world's older population continues to grow at an unprecedented rate. Today, 8.5 percent of people worldwide (617 million) are age 65 and older, and this percentage is projected to jump to nearly 17 percent of the world's population by 2050. This phenomenon has placed a new emphasis on healthy aging.

Join us as we explore the latest research on how to age well, whatever your current age. We will explore theories of aging, how much different lifestyle makes and what lifestyle factors have the greatest impact on how we age. Learn how to better age for yourself and how to support your older clients in their aging journey.

ENTER IN

Tired of making small talk at church about the weather or sports? Then follow Edward Welch's advice to "enter in" to the lives of your fellow worshippers.

A churchgoer once asked Welch, author of *Caring for One Another* (Crossway), two simple yet profound questions: "What was the best thing about your week, and what was the worst thing about your week?" About a month later, when some issues were weighing heavily on Welch's heart, he wondered who'd be willing to pray for him. Immediately, the person who'd asked him those two questions came to mind.

When worshippers are willing to enjoy one another's blessings and be burdened by one another's difficulties, Welch says, the body of Christ gets built up.

To Break Ground

The graph showing the progress of Trinity's New Office Fundraiser will be updated each week.

The ornate cross in the Narthex also displays this progress.

Please keep the New Office Addition's planning, building, and fundraising, in your prayers.

Cash Received includes the \$100,000 estate gift.

Trinity has submitted all requested documentation and the Nomination Forms for the Call Process to the District Office. We will patiently wait for the Holy Spirit to work through the District Office as they help us move forward with the Call.

Matt. 3:15 – “But Jesus answered him, ‘Let it be so now, for thus it is fitting for us to fulfill all righteousness.’ ” Fulfilling all righteousness is not a task we are up to. The reason God sent His Son into the world is to fulfill all righteousness for us, to do what we could not do. The whole of Jesus' life, everything He did and said, was one great offering to the Father in our stead to fulfill all righteousness for us. With our righteousness fulfilled in Jesus and given to us in Baptism – our hearts now overflow with thanksgiving and praise.
