Help Our Trinity Children Get a Good Christian Education at FLS

The new 2022-2023 school year will begin again in September (time flies) and many parents are already trying to come up with their plan for paying their children's tuition for the year. Some Trinity parents will have a hard time coming up with the money and could use some help. We are starting this drive to help them early this year so it's in place and funded by the time the first FLS statements go out in August.

There is a huge benefit for kids to go to Faribault Lutheran School rather than public schools. They include learning about Jesus' love and forgiveness, getting an excellent academic education and learning about the importance of discipline tempered with love. Our kids couldn't get an education any better than here at FLS. Sometimes the parents just need a little help with the finances to make it all happen.

So again we are asking all our members to consider giving what they can to the Trinity Scholarship Fund. We have been supporting our Trinity families through this fund for many years now and it has enabled about a dozen Trinity families each year to afford the FLS costs thereby allowing their kids to receive a rich Christian-led education where otherwise they possibly couldn't.

There is also an FLS Scholarship Fund that can be used for any lower income family having children in FLS and then there is the Trinity Scholarship Fund that assists just Trinity families. This means families from Trinity can get both scholarships if their income allows them to qualify.

The Trinity Scholarship Fund is typically funded from Trinity members only through their contributions. If you are interested in helping our families for the upcoming 2022-2023 school year, now is the time to give to this fund. You can either send your contribution to the church office or put it in the collection plate and mark it "Trinity Scholarship Fund." You can also give to the "FLS Scholarship Fund" by sending donations to the school office. Help a Trinity child receive a Christian education today!

**FAITH COMES BY HEARING
50 years of proclaiming God's Word**

Faith Comes By Hearing's goal is to work in partnership with churches to record and freely provide God's audible Word in every language that needs it by the year 2033.

Trinity will support the mission of Faith Comes By Hearing the weekend of July 2 & 3 with a special door offering.

Why Audio: 70% of the worlds population live in oral cultures. That means 5.7 billion people need to hear the Gospel in order to understand and accept it.

1.5 billion people still do not have access to God's Word in a format that they can understand and engage.

Forty-eight cents of every dollar contributes to vital Audio Bible recordings. Fifty-two cents of every dollar is used to provide Audio Bibles through listening programs.

The Radio Broadcast this Sunday is given in loving memory of Edgar Teschke by his wife Jane. Edgar & Jane would have celebrated their 60th wedding anniversary on June 17.
