Pillars of the faith

Because Martin Luther nailed his 95 theses, or thoughts, to a church door in Wittenberg, Germany, on October 31, 1517, many Christians remember that day and the major changes, or Reformation, that resulted.

Luther's theses contained three main pillars, which have stood for almost 500 years:

1. *Sola Scriptura* (Scripture Alone) - The Bible is the sole authority in matters of faith, life and conduct. "All scripture is inspired by God and is useful for teaching, for reproof, for correction, and for training in righteousness" (2 Timothy 3:16, NRSV).

2. *Sola Fide* (Faith Alone) - Christians are justified, or declared righteous, only through believing in Jesus Christ as Savior. Although morality and good works are important, they cannot lead to salvation. "A person is justified not by the works of the law but through faith in Jesus Christ" (Galatians 2:16, NRSV).

3. *Sola Gratia* (Grace Alone) - Grace is God's unmerited, or undeserved, favor. Salvation is a free gift from our gracious God. "For by grace you have been saved through faith, and this is not your own doing; it is the gift of God - not the result of works, so that no one may boast" (Ephesians 2:8-9, NRSV).

October 23 “We may think our prayers are small in relation to the magnitude of the problem of abortion. Not so! ... Educate yourself, your children, and the people you know about Lutherans For Life ... Support leaders who embrace these words, ‘All men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness.’ ... We have the most hopeful message the world has ever heard. You know it. God does big things with small stuff. How can we be so sure? Shiphrah and Puah, Jochebed, Miriam, and Moses ... and especially Jesus.”
