### **STEWARDSHIP**

#### **Important Message About Our Future**

On Saturday, April 13 leaders from Peace and Trinity Lutheran Churches will hold a joint workshop to evaluate a possible future together. On Sunday, April 14 at noon there will be a joint congregational forum for members of both churches to give you a report on the outcome of this workshop. This can turn out to have exciting possibilities, and it is important for every member to be involved in the potentially critical decision ahead. If you are able to attend this forum, please let the church office know so we can plan appropriately.

At this time you can be involved by filling out a simple member survey that will help leaders understand member perceptions and help the congregations understand each other better. The survey is absolutely confidential, and it will only take about 3 to 6 minutes to complete. You can fill it out on your computer, tablet or smartphone, Your response will be completely confidential.

**Please use the link below:**

**<https://s.surveymonkey.com/3i61wr17>**

(If you do not have a computer or smartphone, please stop by the church office and Jennie can help you use an office computer to fill out the survey online.)

Each teenager and adult in your household can fill out a survey. On April 14 you will get a report on the survey results.

If you prefer to fill the survey out with pen and paper you can get a paper copy from one of the Elders or from the church office. When you've completed the paper version, please drop it off at the church office. Do not fill out both the paper and online versions.
