## **FELLOWSHIP**

From Pastor Armand J. Boehme

A NOTE OF

50th Ordination Celebration

Thank you to all the saints at Trinity, Faribault who sent cards and greetings and though, not present, kept us in their thoughts and prayers, and to those who were able to come in person August 11. Your congregation was a blessing to me when I served as your Intentional Interim Pastor from 2011-2014. Pastor Nour's sermon last week reminded us: we are all servants of the Lord, doing all that we do to God's glory and the spreading of the saving Gospel Message to the world, and we thank Trinity, Faribault for its part in that ministry.

—Pastor Boehme and Judy

## **HUMAN CARE**

**August 18** "Through our vocations, both permanent and temporary, Christians are gifted opportunities to share the Gospel-motivated message that every life is valuable, and in so doing, carry the light of Christ into dark places filled with sin and death. It's true, this work won't always be easy; there may be times when we wonder about the path God has placed us on. But we can be confident that we aren't traveling alone. Christ goes with us, and His grace is sufficient. Always."

*Michelle Bauman, Director of Y4Life – A Life Quote from Lutherans For Life • lutheransforlife.org*

A big "THANK YOU" to everyone who donated blood at Trinity on Friday, August 2. We collected 34 units. This was a little below our goal, but still a good turnout. We are very thankful for everyone who made the effort to donate life-saving blood!

# **BLOOD SHORTAGE!**

Blood donors needed now

The American Red Cross declared a national blood emergency on Monday, August 5, noting a shortfall of 19,000 blood donations in the last month causing the blood supply to plummet by 25% since July 1. Now, remnants of Hurricane Debby are complicating efforts to rebuild the supply. **We need your help!**

Debby's torrential rains are exacerbating the national blood shortage. The storm's devastating flooding, power outages and travel hazards have forced the cancelation of blood drives in the Southeast, causing hundreds of lifesaving blood products to go uncollected when more donations are so desperately needed.

The blood collected at Trinity's upcoming drive, is already earmarked to help someone in need.
