JULY PASTOR'S CORNER...

Summer is officially here as of June 20th. It is that time when we, in the northern regions, fill our schedules with all kinds of outdoor activities. It is the time of summer vacations for families, for employee vacations from their work, for schoolteachers, for school staff, and students of all ages to enjoy a time of reprieve from schoolwork. We jam pack our days with a host of jobs around the house. For we know that in a few short months our lives will go back to normal. How are you using your days this summer?

My wife, my oldest daughter, and I returned from a trip to Baltimore, Maryland, as I represented our LCMS church body as the Transitional Interim Ministry secretary. Following my three days of meetings, we explored several regions of the United States and how people are celebrating their summertime.

We began with a visit to Baltimore harbor to explore a few ships including the tall ship Constellation. While there we experienced a host of emergency vehicles flooding into the harbor region. Talking with the local vendors, we found out that it was a practice drill for emergency workers prepping for the Fourth of July holiday.

On another occasion about the time we were ready for bed, the sky exploded with fireworks nearby. The city we were staying in was having their annual city celebration, Saturday evening.

A few short hours later we were awoken from our slumber by the fire alarm in the hotel hallway. Four firetrucks soon appeared with flashing lights but no sirens. People were standing around wondering what was happening and asking, where is the fire? We had all left our belongings in our rooms and had hurriedly left with the clothes on our backs.

Leaving that region in Pennsylvania we continued our journey back to Faribault. We stopped by another harbor town on the shores of Lake Erie. Those people were celebrating outdoors in open air restaurants, at a wedding reception, and finally we witnessed several boats and wave runners on the lake. People were going about life.

We next found ourselves outside Chicago proper about 20 miles from Lake Michigan in La Porte, Indiana. Our hotel just happened to be on the tip of a large lake. We sat outdoors on a park bench thankful for a significant breeze on that oppressive weather alert day. Summer water boating activities were still quite evident.

We witnessed people across America celebrating this season we call Summer. We are in another season of life. When we are born, we experience life in this world for the first time. We fill up our life with all kinds of activities. Let us not forget that God continues to call us to come and experience His goodness. He calls us to worship Him, acknowledging the greatest gift of love we can ever experience. By faith in the life, death, and resurrection of Jesus we can have eternal life.

We are in a season of preparation for eternity. As much as we enjoy our summer activities and don't want to waste a minute of sunshine, let us never forget that we are also on a journey walking day by day to an eternal destination. Let us not waste our lifetime chasing dreams that don't satisfy. God has shown us the path we should walk, following His Son Jesus Christ, the first one of humanity to receive eternal life.

This earth and life have many tempting distractions from our normal monotony, as I witnessed recently. Vacations are fun but we eventually long for home, for security, and peace that we find in familiar surroundings. Follow God and His plan of salvation and you will enjoy a life of peace and security that will never end.

Several people have asked what the written responses were after the consolidation vote was taken.

Below is a summary of the responses.

People that voted "yes" cited reasons such as declining membership, pastoral shortages, stronger ministry collaboration, and future sustainability. A lot about the church surviving if we continue alone.

People that voted "no," expressed concerns about lack of transparency, forced decision-making, insufficient leadership, and doubts about the merger's benefits. Many emphasized the importance of clear communication, financial plans, and preserving current church identities. I got the sense it was they didn't feel like they were included enough in the process of how things would work as one church.

We are continuing with the Call process and are forming a Call Committee. Dan S.

has offered to lead the committee, and we are asking for people interested in serving with him. If you are interested you can contact Dan or Jennie in the church office. We will be asking for pastor nominations from the congregation in a couple of weeks. It will be announced in the bulletin and forms placed at the information center.

If you have a topic for me to address or a comment, please email me or the church office.

Thank you for your prayers, support, and commitment to our Church.

Traveling Games

A lot of people take vacations in the summer.

Here are two fun games you can play during trips in the car!

"NOW!"

1. The driver picks an object he sees a mile or so down the road.
2. Players close their eyes.
3. When a player thinks the car is about to pass the object, he or she calls out, "Now!"

Alphabet Race

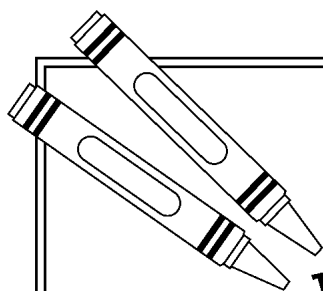

Find the letters of the alphabet in order using the letters on the license plates of other cars.

To make it more challenging, start at the letter Z and work backwards to A.

b c Z

Another way to play the game is to pick a word and then try to find the letters that spell your word.

Reflections on July

It's hard to believe how quickly summer is flying by! We hope you're enjoying the season and finding time for rest and renewal.

We're excited to share that a number of updates and improvements are happening at the school over the summer months. Thanks to the generosity of our Gala supporters, the entire school will receive a professional deep cleaning—every nook and cranny will be scrubbed, carpets professionally cleaned, and you may even notice a fresh coat of paint brightening the walls when you return!

In addition, our school library is getting a refresh. With the recent closing of Cannon River STEM School, we were able to acquire student-friendly bookshelves that are more accessible and designed specifically with children in mind. These updates will make it easier and more enjoyable for our students to explore and engage with reading.

We are also blessed to welcome Mrs. Nancy Bauer to our faculty for the upcoming school year. Mrs. Bauer will serve as a middle school homeroom teacher and will be teaching the middle school math courses. She brings a wealth of experience and a strong background in math education, and we're thrilled to have her join our team.

Please mark your calendars for the FLS Golf Tournament on Sunday, September 21! This fun event directly benefits our students by funding field trips throughout the school year. Thanks to last year's tournament, students were able to enjoy more enriching trips without concerns about transportation costs. Look for more details at the end of July.

Thank you for your continued prayers and support for our students, staff, and school ministry. May God bless the rest of your summer!

WHY BELONG TO A CHURCH?

Oh, if only I could pray the way this dog watches the meat! All his thoughts are concentrated on the piece of meat. Otherwise, he has no thought, wish, or hope.

No man should be alone when he opposes Satan. The church and the ministry of the Word were instituted for this purpose, that hands may be joined together and one may help another. If the prayer of one doesn't help, the prayer of another will.

I have often learned more in one prayer than I have been able to glean from much reading and reflection.

Martin Luther

COME GLORIFY GOD TOGETHER

Don't use summer as an excuse to skip church! By gathering in corporate worship, we obey God's command, become equipped for Christian living, and minister to our fellow pilgrims. Consider these tips for engaging in corporate worship.

First, show up — in person if you can. Examine your heart and your motivation for attending church. Lift up your eyes from earthly matters to focus on God.

Come prepared. Do you need to confess anything or remove any hindrance? As you worship, consider how each part of the service displays the gospel: greeting, singing, confessing, reading Scripture, hearing Bible-based teaching, praying, giving and communing.

Be careful not to compartmentalize corporate worship as separate from the rest of life. Instead, consider how you'll carry the experience into the coming week. Come ready to receive; then let that overflow fuel you for the days ahead. Come prepared to participate, knowing that worshiping together is a rehearsal for heaven. But most importantly? Just come.

OVER 70 AND A HALF?

Have a pre-tax 401k or IRA account?

Consider a Qualified Charitable Distribution (QCD).

Reduce your tax bill while benefiting your church!

If you are over 70 and a half years old, the government allows you to donate funds directly from your 401k or IRA to your church without paying the taxes owed on the withdrawal. As long as the distribution goes directly from the fund manager to the non-profit, you will not need to pay the associated taxes. A distribution handled this way will also count toward any required minimum distribution owed during the current year. Consult your financial advisor to find out more - it's a rare win-win for everyone!

Dear sponsors, family, and friends,

It is with joy that I announce I have been placed to serve my vicarage at Immanuel Lutheran church in Seymour, Indiana! We are very excited to be joining this congregation for the next year for vicarage.

The semester is drawing to a close and my classes are finishing well. Haley and I are looking forward to a summer of travel and time with family before the beginning of vicarage.

Everett is thriving and growing faster than we imagined. He is a happy, healthy baby, and we love him so much. It has been a joy to be parents and to experience this gift that God has given us.

It is hard to believe that we are halfway through seminary. It has been a wonderful time here full of growth, memories, and great relationships. The Lord has provided and continues to guide me down this path. We look forward to the next two years of preparation in Seminary.

Thank you again for your continued support of us this year. Please keep our family in your prayers as we move to Seymour, Indiana and adjust to a new place and new opportunities.

TRINITY RICE COUNTY FAIR BOOTH

Each year Trinity has a booth at the Rice County Fair where we hand out free New Testament Bibles in English and in Spanish, Christian pamphlets on relevant issues, Christian-themed trinkets for the kids, and more!

Please help share the love of Christ in our community by signing up for one two-our slot at the Trinity Fair Booth.

The sign up sheet is at the information center or call Jennie in the church office. Fair booth volunteers are invited to take a free Thrivent t-shirt!

This is a great way to reach out to people in our community!
