

THANK YOU! We had such a great response to our request to get new monitors set up. All three monitors (the two new ones and the one in the back that Pastor and Musicians use) will be controlled from the Radio Room. So this means we need more people willing to run the video in the radio booth each service. Specifically, we need more people for Saturday night services.

The job is not hard. If you can move a mouse and browse the internet, you can do this. Please contact Todd V, Dustin G. or the church office if you are willing to help out.
