Letter from the FLS School Board

Dear FLS Families,

By now, many of you have likely heard that Principal Saehler has accepted a call to serve at a Lutheran school in California. In our LCMS family, the call process is always approached with prayer, patience, and a willingness to follow where the Lord leads. While these decisions are never easy, we trust that God is guiding her to a place where her gifts will continue to bless many. She will remain with us through the end of the school year, and we send her forward with our gratitude and our prayers for this new chapter.

As we look ahead, we want to share what the path forward will look like for our school. Our board has already connected with our LCMS educational representative for the South District to begin the next steps in the call process. We are also working to gather past board members so we can thoughtfully consider the qualities and leadership traits we hope to see in our next administrator.

The call process can be lengthy, especially as there are few LCMS-trained administrators available. Because of this, we are open to considering candidates outside the LCMS education system and providing the necessary training to support them in both faith and leadership. If you know someone who may be a strong fit, even in an interim capacity, we would welcome your recommendations. *(continued on page 2)*

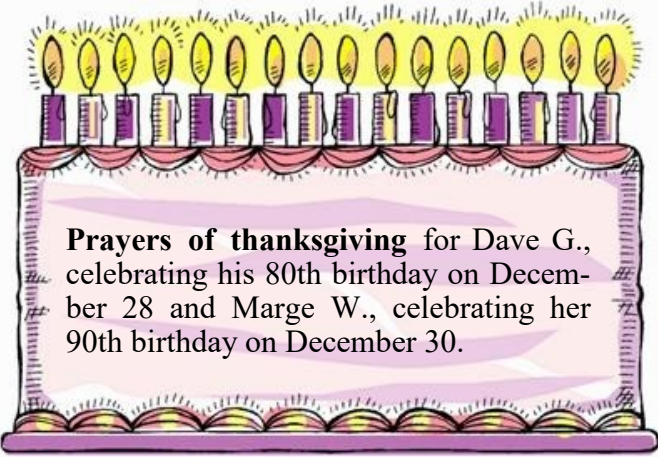

Above all, we ask for your prayers. Pray for wisdom for our board, for peace during this transition, and for the faithful leader God is already preparing for our school.

Thank you for your continued trust and partnership in the ministry of Faribault Lutheran School.

In Christ,
The FLS School Board
